

# Uncle Sam wants you to join

# CLEAN UP CREW

**Listen up, KoC Pool Members!** It's time to roll up your sleeves and get the pool ready for summer. We need your help with:

**Power Washing:** Blast away the winter grime!

**Caulking & Grouting:** Seal those cracks, and keep the water where it belongs.

**Hauling:** Clear winter debris and get those chairs and tables ready for lounging.

**Kids Patrol:** Supervised kids, this mission's for you! Clear the grounds for barefoot fun! There are enough sticks for everyone!

We'll be doing clean ups every Saturday morning from 9 to noon on April 6-May 18 to get ready for Memorial Day opening. Come when you can, or sign up at [bit.ly/cherryhillcleanup](http://bit.ly/cherryhillcleanup), or scan the QR code. Questions? Email [koccherryhillpool@gmail.com](mailto:koccherryhillpool@gmail.com) for more information.

**Let's make this pool the coolest spot in town for our families and friends. Every hand makes a difference!**
